**April fools!** Joking apart – here are the dates of the month. April weather lives up to its name and started tumultuous. Considering that the calendar of SchöneWeide Kreativ shows up more relaxed this month. Which doesn't mean there's nothing going on in SchöneWeide ... so find additional information on networking events and upcoming Highlights in the last part of this Newsletter.

Finally the project gallery „Schalterraum“ reopens! We're starting the season with a local cooperation and exhibition of school pupil's artworks. From May to the end of July Schalterraum will continue to present exhibitions that explore the relation between art, work and money.

Happy Easter!
