Goodies for Goodbye! Our EU-funded project SchöneWeide Kreativ runs out on the 31st of July. That the goodbye won't be too sad, there will be numerous great events until we leave. Mark your calendar and come over!

For the first time, SchöneWeide will be part of the city-wide **NACHTSCHICHT – BERLIN DESIGN NIGHT** on June 12th, 2015. Discover the upcoming creative scene and visit 13 locations, open studios and workshops. Also Schalterraum – our project gallery – is taking part and celebrates the Midissage of the current exhibition **AUFBAUEN – ABBAUEN**. Don't miss it cause it's special and the second last project presented in Schalterraum! Furthermore we're opening the concept store "SchauRaum" in our place in Schillerpromenade.

Enough introduction – don't miss the following dates of the month:

NACHTSCHICHT – BERLIN DESIGN NIGHT 2015

On June 12th, designers and creative producers in SchöneWeide make a night shift. Between 7 pm and midnight 13 studios, workshops and stores open their doors and provide interesting insights into their rooms and work. Visitors can arrive with a free shuttle bus from the city centre. In SchöneWeide wonderful Mandy Berlin shuttles you between the single locations.

SchöneWeide Kreativ – SchauRaum

For the NACHTSCHICHT, we open up the SchöneWeide Kreativ – SchauRaum. tatORT#11 – Schauhallen

What's going on at the area of „Schauhallen“? Come over to join for a beer and get information at first hand. Clemens Greiner talks about the building plans, future uses and the timetable. He introduces first ideas for a LAB that should bring together and involve the different people from SchöneWeide and offer room for (social) initiatives, interactions and neighbourhood projects.

Wednesday, 6/24/2015, 19 h
Schauhallen | Reinbeckstr. 9 | 12459 Berlin

Schalterraum – project gallery for art, work and money
Wilhelminenhofstraße 82a, 12459 Berlin

AUF BAUEN – AB BAUEN

Exhibition project & residency: May 17th – June 21th

The exhibition shows what gallery visitors normally do not see: The work before, between and after an exhibition. The gallery space becomes a studio – the art production becomes a performance. Within a residency of the artist collective GODSDOGS, you get insight in the different stages of their creative process. The artist group kartenrecht extends the art universe of the visitor with flashes of their creative process and curatorial adventurism, using video and photography. The artist Ion Willaschek documents the build-up of an illegal exhibition inside the ruin of the Josef-Haubrich-Kunsthalle in Cologne as staged protest against intransparent cultural policy.

Midissage: Friday, 6/12/2015, 19-24 h, as part of the Nachtschicht – Berlin Design Night
Finissage: Sunday, 6/21/2015, starting at 11 am
Schalterraum | Wilhelminenhofstr. 82a | 12459 Berlin
